Here We Go Again by Demi Lovato

I throw all of your stuff away	Should have known better
Then I clear you out of my head	In trying to let you go
I tear you out of my heart	Cause here we go go go again
And ignore all your messages	Hard as I try I know I can't quit
I tell everyone we are through	Something about you is so addictive
Cause I'm so much better without you	We're falling together
But it's just another (1) lie	You'd think that by now I'd know
Cause I break down	Cause here we go go go again
Every time you (2) around	And again, and again, and again, and again, and agair
So how did you get here under my skin?	I threw all of your stuff away
I swore that I'd never let you back in	And I cleared you out of my head
Should have known better	And I tore you out of my heart
In trying to let you go	So how did you get here under my skin?
Cause here we go go go again	I swore that I'd (8) let you back in
Hard as I try I know I can't quit	Should have known better
Something about you is so addictive	In trying to let you go
We're (3) together	Cause here we go go go again
You'd think that by now I'd know	Hard as I try I know I can't quit
Cause here we go go go again	Something about you is so addictive
You never know what you want	We're falling together
And you never say (4) you mean	You'd think that by now I'd know
But I start to go insane	Cause here we go go (9) we go again
Every time that you look at me	Here we go again
You only hear half of what I say	Should have known better
And you're always (5) up too late	In trying to let you go
And I (6) that I should say goodbye	Cause here we go go go again
But it's no use	
Can't be with or without you	
So how did you get (7) under my skin?	
I swore that I'd never let you back in
