

It's tumbling down

Fill in the gaps

No One's Gonna Love You by Band Of Horses

It's looking like a limb torn off	Hard
Or altogether just taken apart	Anything to make you smile
We're reeling through an endless fall	You are the ever-living ghost of (5) once was
We are the ever-living ghost of what once was	I (6) want to (7) you say
But no one is ever (1) love you more than I do	That you'd be better off
No one's gonna love you more than I do	Or you liked it that way
And anything to make you smile	But no one is ever gonna (8) you more than I do
It is my better side of you to admire	No one's gonna love you more than I do
But they should (2) take so long	But someone
Just to be over then back to another one	They should have warned you
But no one is ever gonna love you more than I do	When (9) start splitting at the seams and now
No one's (3) love you (4) than I do	The whole thing's tumbling down
But someone	Things start splitting at the seams and now
They could have warned you	If (10) start splitting at the seams and now
When things start splitting at the seams and now	It's tumbling down
The whole thing's tumbling down	Hard
Things start splitting at the seams and now	
If things start splitting at the seams and now
