First Day Of My Life by Bright Eyes

This is the (1) day of my life	You (10) everything changed
swear I was born right in the doorway	You felt as if you just woke up
went out in the rain	And you said, "This is the first day of my life,
Suddenly (2) changed they're	I'm glad I didn't die (11) I met you,
spreading	But now I don't care, I could go anywhere (12) you
Blankets on the beach	And I'd probably be happy"
Yours is the first face (3) I saw	So if you want to be (13) me
think I was (4) before I met you	With these (14) there's no telling
don't know (5) I am	We just have to (15) and see
don't know where I've been	But I'd rather be working for a paycheck
But I know where I want to go	Than waiting to win the lottery
So I thought I'd let you know	Besides, maybe this (16) it's different
These (6) take forever, I especially am slow	I mean, I really think you like me
But I realized that I need you	
And I wondered if I could (7) home	
Remember the (8) you drove all night	
Just to (9) me in the morning?	
And I thought it was strange
