

Fill in the gaps

In the car, I just can't wait			
To pick you up on our very first date			
Is it cool if I hold your hand?			
Is it wrong if I think its lame to dance?			
Do you like my (1) hair?			
Would you guess that I didn't know what to wear?			
I'm just scared of what you think			
You make me (2) so I really can't eat			
Let's go, don't wait, this (3) almost over			
Honest, lets make, this night last forever			
Forever and ever, let's make this last forever			
Forever and ever, let's make (4) last forever			
When you smile, I melt inside			
I'm not worthy for a minute of your time			
I really wish it was only me and you			
I'm jealous of everybody in the room			
Please don't look at me with those eyes			

Please don't hint (5)	you're capable	e of lies	
I dread a thought of our very (6	i)	kiss	
A target that I probably (7) miss			
Let's go, don't wait, this night almost over			
Honest, lets make, this night last forever			
Forever and ever, let's make this last forever			
Forever and ever, let's make this last forever			
Let's go, don't wait, this night almost over			
Honest, (8) make, the	nis night last fo	rever	
Forever and ever, let's make this last forever			
Forever and ever, let's make th	is (9)	_ forever	
Forever, and ever			
Lets make this (10)	forever		
Forever, and ever			
Lets make this last forever
