

Fill in the gaps

In the car, I just can't wait
To pick you up on our very first date
Is it cool if I hold your hand?
Is it wrong if I think its lame to dance?
Do you like my stupid hair?
Would you (1) that I didn't know (2)
to wear?
I'm just scared of what you think
You make me nervous so I (3) can't eat
Let's go, don't wait, this night almost over
Honest, lets make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever
When you smile, I melt inside
I'm not (4) for a minute of your time
I really wish it was (5) me and you
I'm jealous of everybody in the room
Please don't look at me (6) those eyes

Please don't hint that you're capable of lies	
I dread a thought of our very first kiss	
A target that I probably gonna miss	
Let's go, don't wait, this night almost over	
Honest, (7) make, this night last forever	er
Forever and ever, let's (8) this last fore	ever
Forever and ever, let's make this last forever	
Let's go, don't wait, this (9) almost of	over
Honest, lets make, this night last forever	
Forever and ever, let's make this last forever	
Forever and ever, let's make this last forever	
Forever, and ever	
Lets make this last forever	
Forever, and ever	
Lets make (10) last forever
