And got behind the wheelThat it's just around the bendNow you're (4)	· · ·	
Now you're (4) sidewaysAnd when this, by defaultTaken in by the sceneryComes screeching to a haltAs you're (5) alongLet's (18) (19) you know (20)And your companionto doWill not (6) you to navigateTo start it up againFor fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	And changed the flat	The (17) lie
Taken in by the sceneryComes screeching to a haltAs you're (5) alongLet's (18) (19) you know (20)And your companionto doWill not (6) you to navigateTo start it up againFor fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	And got behind the wheel	That it's just around the bend
As you're (5) alongLet's (18) (19) you know (20)And your companionto doWill not (6) you to navigateTo start it up againFor fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	Now you're (4) sideways	And when this, by default
And your companionto doWill not (6) you to navigateTo start it up againFor fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	Taken in by the scenery	Comes screeching to a halt
Will not (6) you to navigateTo start it up againFor fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	As you're (5) along	Let's (18) (19) you know (20)
For fear she may be wrongDriving sidewaysI (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	And your companion	to do
I (7) she may be wrongHitting scan on the radioAnd you will saySo she can (21) alongThat you're making headwayAnd she'll sit	Will not (6) you to navigate	To start it up again
And you will saySo she can (21) alongThat you're making headwayAnd she'll sit	For fear she may be wrong	Driving sideways
That you're making headway And she'll sit	I (7) she may be wrong	Hitting scan on the radio
	And you will say	So she can (21) along
And put it in overdrive Thinking you're (22) to (23) it	That you're making headway	And she'll sit
	And put it in overdrive	Thinking you're (22) to (23) it
But you're mistaking speed Until she's proven wrong	But you're mistaking speed	Until she's proven wrong
For getting (8) you need Until she's (24) wrong	For getting (8) you need	Until she's (24) wrong
And never (9) noticing Until you (25) her (wrong)	And never (9) noticing	Until you (25) her (wrong)
You (10) do arrive (Driving sideways)	You (10) do arrive	(Driving sideways)
Cause you're driving sideways	Cause you're driving sideways	
If you (11) (12) the window you'll see	If you (11) (12) the window you'll see
