Maybe I don't (1)	(2)	_ to know	We see things they'll never see	
How your garden grows			You and I are gonna live forever	
I just want to fly			Maybe I don't really want to know	
Lately did you (3)	feel the pain		How (13) (14) grows	
In the (4)	rain		I (15) want to fly	
As it (5) it to the bone			Lately did you (16) feel the pain	
Maybe I (6) want to fly			In the morning rain	
I want to live I don't want to die			As it soaks it to the bone	
Maybe I just want to breath			Maybe I just want to fly	
Maybe I just don't believe			I (17) to live I don't (18) to	die
Maybe you're the (7) as me			Maybe I just want to breath	
We see things they'll never see			Maybe I just don't believe	
You and I are (8) live forever			Maybe you're the same as me	
Maybe I don't really want to know			We see things they'll never see	
How your (9) grows		You and I are (19) live forever		
I just want to fly			Gonna (20) forever	
Lately did you ever feel the pain			Gonna live forever	
In the morning rain		We're (21) (22) forever		
As it (10) it to the bone		Gonna (23) forever		
Maybe I will never be		Gonna (24) forever		
All the things that I want to be		Gonna live forever		
But now is not the (11)	to cry			
Now's the time to (12)	out why			
I think you're the same as	s me
