

Fill in the gaps

I his is my life	And now that were here
Its not what it was before	So far away
All these feelings I've shared	All the struggle we thought was in vain
And these are my dreams	And all (6) one life contains
That I've never (1) before	They all finally start to go away
Somebody shake me	And now that were here
Cause I, I must be sleeping	So far away
And now that we're here,	And I feel like I can face the day
So far away	I can forgive, and I'm not ashamed to be the person that I am
All the struggle we thought was in vain	today
And all the mistakes,	I'm so afraid of waking
One (2) contained	Please don't (7) me
They all finally start to go away	Afraid of waking
And now (3) we're here its so far away	Please dont shake me
And I feel like I can face the day	And now that were here
I can forgive, and I'm not (4) to be the	So far away
person that I am today	All the struggle we thought was in vain
These are my words	And all the (8) one life contains
That I've never said before	They all finally (9) to go away
I (5) I'm doing ok	And now that were here
And this is the smile	So far away
That I've never shown before	And I feel like I can face the day
Somebody shake me	I can forgive, and I'm not a shamed to be the person that I am
Cause I, I must be sleeping	today
