Everlasting Love by Jamie Cullum

Fill in the gaps

Hearts (1)	astray		Won't you forget
Deep in her when they go			Welcome love we once knew
I (2) away			Open up your eyes
Just when you needed me so			Then you'll realize
You won't regret			Here I stand with my
I'll come back begging you			Everlasting love
Won't you forget			Need you by my side
Welcome love we (3) knew			Girl to be my pride
Open up your eyes			Never be denied
Then you'll realize			Everlasting love
Here I stand with my			From the very start
Everlasting love			Open up your heart
Need you by my side			Feel that you're falling
Girl to be my pride			Everlasting love
Never be denied			Need a (8) to last forever
Everlasting love			Need a love to last forever
Hearts gone astray			Need a love to last forever
Deep in her (4) they go			Need a love to last forever
I went away			I need a (9) to last forever
Just when you (5)) m	ne so	
You won't regret			
I'll come (6)	(7)	VOLL
