My Friends Over You by New Found Glory

Fill in the gaps

I'm drunk off your kiss For another night in a row This is becoming too routine for me But I did not mean to lead you on And it's all right to pretend That we still talk It's just for show, isn't it It's my fault (1)_____ it fell apart Just maybe You need this And I didn't mean to Lead you on You were everything I wanted But I (2)____ can't finish what I've started There's no room left here on my back It was damaged long ago Though you swear (3)_____ you are true I still (4)_____ my (5)_____ over you My friends over you Please tell me everything That you think that I should know About all the plans you made When I was nowhere to be found And it's all right to forget That we still talk It's just for fun, isn't it It's my fault that it fell apart

Just maybe you need this

And I didn't mean to
Lead you on
You (6) everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was (7) long ago
Though you swear that you are true
I still pick my friends over you
My friends (8) you
Just maybe you need this
You need this
And I didn't mean to
Lead you on
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you (9) that you are true
I still (10) my friends over
You were everything I wanted
But I just can't finish what I've started
There's no room left here on my back
It was damaged long ago
Though you swear that you are true
I still pick my friends over you
