

I open my eyes

I try to see but I'm blinded by the white light

I can't remember how

I can't remember why

I'm lying here tonight

And I can't stand the pain

And I can't make it go away

No, I can't stand the pain

How could this happen to me?

I made my mistakes

I've got no where to run

The night goes on as I'm fading away

I'm (1)____ of this life

I just wanna scream

How could (2)_____ happen to me?

Everybody's screaming

I try to make a sound but no one (3)_____ me

I'm slipping off the edge

I'm hanging by a thread

I wanna start this over again

Fill in the gaps

So I try to hold onto a time when nothing mattered
And I can't explain what happened
And I can't erase the things that I've done
No, I can't
How could this happen to me?
I made my mistakes
I've got no where to run
The night (4) on as I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me?
I made my mistakes
I've got no where to run
The (5) on as I'm fading away
I'm sick of this life

I (7)_____ (8)____ scream

How could this happen to me?
