

## Fill in the gaps

I've done

I open my eyes	So I try to hold onto a time when nothing mattered
I try to see but I'm blinded by the white light	And I can't explain what happened
I can't remember how	And I can't erase the things (6) I've don
I can't remember why	No, I can't
I'm lying (1) tonight	How could this happen to me?
And I can't stand the pain	I made my mistakes
And I can't make it go away	I've got no where to run
No, I can't stand the pain	The night goes on as I'm fading away
How could this happen to me?	I'm sick of this life
I made my mistakes	I just wanna scream
I've got no (2) to run	How (7) this happen to me?
The night goes on as I'm fading away	I made my mistakes
I'm sick of this life	I've got no where to run
I just wanna scream	The night goes on as I'm fading away
How could this happen to me?	I'm sick of this life
Everybody's screaming	l just (8) scream
I try to make a (3) but no one (4)	How could this (9) to me?
me	
I'm (5) off the edge	
I'm hanging by a thread	
I wanna start this over again	

- 1. here
- 2. where
- 3. sound
- 4. hears
- 5. slipping
- 6. that
- 7. could
- 8. wanna
