

I open my eyes

Fill in the gaps

I try to see but I'm blinded by the white light
I can't remember how
I can't remember why
I'm lying here tonight
And I can't stand the pain
And I can't make it go away
No, I can't (1) the pain
How could this (2) to me?
I made my mistakes
I've got no where to run
The night goes on as I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me?
Everybody's screaming
I try to make a (3) but no one hears me
I'm slipping off the edge
I'm hanging by a thread
I wanna start this over again

So I try to hold (4) a time (5) nothing
mattered
And I can't explain what happened
And I can't (6) the things that I've done
No, I can't
How could (7) happen to me?
I made my mistakes
I've got no where to run
The (8) goes on as I'm fading away
I'm sick of this life
I just wanna scream
How (9) this happen to me?
I (10) my mistakes
I've got no where to run
The night goes on as I'm fading away
I'm sick of this life
I just wanna scream
How could this happen to me?
