Digging The Grave by Faith No More

It would be wrong to ask you why	And the feeling (5) away
Because I know (1) goes inside	When you close the door
Is only (2) of what comes out	Comfortable
Isn't that what it's about, it's about?	Digging the grave, I got it made
To remind us we're alive	Let something in, or something out?
To (3) us we're not blind	You (6) the door (7) wide
In that big, black hole	Digging the grave, I got it made
Comfortable	Comfortable
Digging the grave, I got it made	Digging the grave, I got it made
Let something in, or something out?	Let something in, or (8) out?
You left the door open wide	You left the (9) open wide
I know you have a reason why	And it's out of this world, comfortable
That knot is better left untied	Out of this world, comfortable
I just went and undid mine	Out of this world, comfortable
It (4) some time	Out of this world, comfortable
And the shadows so big	
It takes the sun out of the day
