Despair to the point where they provoke	When did your (7) replace the twist and turn?
The punchline before they (1) told the joke	Like the fist replace the kiss-on concern
The sheer desperation to be seen	And if you're bothered
Staring at the (2) screen	I don't want your prayers
Despair up to the point where they provoke	Save it for the morning after

Another variation on a theme	Not quick enough can i have it quicker?
A tangle on the (3) and the	Already thick, can you get in thicker
