

Fill in the gaps

A heart of stone, a smoking gun
I can give you life, I can take it away
A heart of stone, a smoking gun
I'm (1) it out, I
Why'd you feel so underrated?
Why'd you feel so negated?
Turning away from the light
Becoming adult
Turning into myself
I wanted to bite not destroy
To feel her underneath
Turning (2) the light
She don't think straight
Not not not she don't think straight
She's got such a dirty mind and it never ever stops
And you don't taste like her and you never ever will
And we don't read the papers, we don't (3) the
news
Heaven's never enough, we (4) never be fooled
Turning away from the light
Becoming adult

rurning (5) myseir
I (6) to bite not destroy
To feel her underneath
Turning into the light
And if you feel (And if you feel)
A little left (7) (A little left behind)
We (8) wait for you on the other side
And if you (9) (And if you feel)
A little left (10) (A little left behind)
We will wait for you on the other side
Cos I'm on fire
Cos you know I'm on fire when you come
Cos you know I'm on fire
Cos you know I'm on fire so stomp me out
Cos I'm on fire
