

Fill in the gaps

A (1) of stone, a smoking gun	Turning into myself
I can give you life, I can (2) it away	I wanted to (14) not destroy
A heart of stone, a (3) gun	To (15) her underneath
I'm working it out, I	Turning (16) the light
Why'd you feel so underrated?	And if you (17) (And if you feel)
Why'd you (4) so negated?	A (18) left behind (A (19) left
Turning (5) (6) the light	behind)
Becoming adult	We will wait for you on the (20) side
Turning (7) myself	And if you (21) (And if you feel)
I wanted to bite not destroy	A little left behind (A (22) left behind)
To feel her underneath	We will wait for you on the other side
Turning into the light	Cos I'm on fire
She don't think straight	Cos you (23) I'm on (24) when you
Not not not she don't think straight	come
She's got (8) a dirty mind and it (9)	Cos you (25) I'm on fire
(10) stops	Cos you (26) I'm on (27) so stomp me
And you don't taste like her and you never ever will	out
And we don't read the papers, we don't read the news	Cos I'm on fire
Heaven's never enough, we will (11) be fooled	Cos I'm on fire
Turning (12) (13) the light	Cos I'm on fire
Becoming adult	Cos I'm on fire
