

Fill in the gaps

You are one of God's mistakes	To pull you from the liquid sky
You crying, tragic (1) of skin	Coz if I don't we'll (6) end up
'm well aware of how it aches	With just your song to say goodbye
And you still won't let me in	My (Oh) My
Now I'm breaking down (2) door	A song to say goodbye
To try and save your swollen face	A (7) to say goodbye
Though I don't like you anymore	A song to say
You lying, trying waste of space	Before our innocence was lost
My (Oh) My	You were (8) one of those
A song to say goodbye	Blessed with lucky sevens
A song to say goodbye	And the voice that (9) me cry
A song to say	It's a song to say goodbye
Before our innocence was lost	It's a song to say goodbye
You were (3) one of those	It's a song to say goodbye
Blessed with lucky sevens	It's a (10) to say goodbye
And the voice that made me cry	It's a song to say goodbye
My (Oh) My	It's a song to say goodbye
You were (4) nature's son	It's a song to say goodbye
Someone to whom I could relate	It's a song to say goodbye
Your needle and your damage done	It's a song to say goodbye
Remains a (5) twist of fate	
Now I'm trying to wake you up
