

Fill in the gaps

Please (1) my confusion	Pouring a caress on your shoulder
And (2) me (3) to the day	Puzzled by (14) innocence
The (4) of your seclusion	Runs a thick tide beneath
Brings night into all you say	Ushered into inner graves
Pull me (5) again	Nails bleeding from the struggle
And guide me into pain	It is the end for the weak at heart
I'm counting (6) hours	Always the same
Drowned visions in haunted sleep	A (15) for the (16) who've
Faint (7) of your powers	(17) all
Leaks out to (8) what you keep	Reeling inside
Pull me (9) again	My gleaming eye in your necklace reflects
And guide me into	Stare of primal regrets
There is (10) inside	You turn (18) back and you (19) away
This test I can't persist	Never again
Kept back by the enigma	Spiralling to the (20) below
No (11) demanded here	Like Autumn (21) left in the (22) to
Deadly (12) made my wreath	fade away
Prosperous in (13) ways	Waking up to (23) (24) again
Pale ghost in the corner	And lapse (25) the (26) of misery
