The Foetus of a New Day Kicking by Cradle Of Filth

A dark and sullen Iullaby Whispers softly as you die Promising torments are nigh On a night like this Danger warning (1) hissed out loud In this garden of Gethsemane Now I'm reeling from the shock at ground zero You played the traitor well If (2) you would have stood up proud Then why tonight have you thrown in with the stoning crowd? I'll breathe through the foetus of a new day kicking To grant you pardon as my enemy The foetus of a new day kicking Before (7) you to hell It's true that Jesus cannot save Danger warning levels hissed out loud I'm rising from the grave I saw the silver lining hidden in the mushroom cloud Now I'm reeling from the shock at ground zero A (3) rush, a heart attack If yesterday you (8) have stood up proud Then why tonight have you thrown in with the stoning crowd? You'll fear this reaper coming back I'll (9) through the foetus of a new day kicking I'll (9) through the foetus of a new day kicking and the foetus of a new day kicking the foetus o	I'm chaos international	Now I'm reeling from the shock at ground zero
