

## Fill in the gaps

I'm just a believer that things (1) get better	I've never been that lucky
Some can take it or leave it	I've never tasted fame
But I don't (2) to let it go	I'm always looking for something
I'm just a believer that things will get better	But I hate changing
Some can take it or leave it	Time fades, no space
But I don't want to let it go	As life breaks new ground
I'm a little bit sheltered	I'm just a believer that things will get better
I'm a (3) bit scared	Some can take it or leave it
I'm a little bit nervous	But I don't want to let it go
I'm going nowhere	I'm just a believer that things will get better
I'm a little bit jealous	Some can take it or leave it
I'm a little bit slow	But I don't want to let it go
I'm a little bit hurtful	It doesn't matter what is out there
And I don't want to let it go, no	My head is spinning and I won't bail out
And I don't want to let it go	It doesn't matter what is out there
I'm a little bit angry	Because time fades
(4) everyone's around	There's no space
But I get a little lonely	As life breaks new ground
When no one's out	I'm just a believer that things will get better
I feel my demons misleading me	Some can take it or leave it
I'm just a believer that (5) will get better	But I don't want to let it go
Some can (6) it or leave it	I'm (8) a (9) that things
But I don't want to let it go	(10) get better
I'm just a believer that things will get better	Some can take it or leave it
(7) can take it or leave it	But I don't want to let it go
But I don't want to let it go	I'm just a believer that things will get better
Maybe when I get older	Some can take it or leave it
And I'm in the ground	But I don't want to let it go
Weights off my shoulders	I don't want to let it go
It was bringing me down
