

Fill in the gaps

I'm (1) a believer (2) (3)	I've never been (14) lucky
will get better	I've never tasted fame
Some can (4) it or leave it	I'm always (15) for something
But I don't want to let it go	But I hate changing
I'm just a (5) that things will get better	Time fades, no space
Some can take it or leave it	As life breaks new ground
But I don't want to let it go	I'm just a believer that (16) (17)
I'm a little bit sheltered	get better
I'm a (6) bit scared	Some can (18) it or leave it
I'm a little bit nervous	But I don't want to let it go
I'm going nowhere	I'm just a believer that things will get better
I'm a little bit jealous	Some can take it or leave it
I'm a little bit slow	But I don't want to let it go
I'm a (7) bit hurtful	It doesn't matter (19) is out there
And I don't (8) to let it go, no	My head is spinning and I won't bail out
And I don't want to let it go	It doesn't (20) what is out there
I'm a little bit angry	Because (21) fades
(9) everyone's around	There's no space
But I get a little lonely	As (22) breaks new ground
When no one's out	I'm just a believer that things will get better
I feel my demons misleading me	Some can take it or leave it
I'm just a believer that (10) will get better	But I don't want to let it go
Some can take it or leave it	I'm just a believer that things will get better
But I don't want to let it go	Some can take it or leave it
I'm just a believer that things will get better	But I don't want to let it go
(11) can take it or leave it	I'm just a believer that (23) (24)
But I don't want to let it go	get better
(12) (13) I get older	Some can take it or leave it
And I'm in the ground	But I don't (25) to let it go
Weights off my shoulders	I don't (26) to let it go
It was bringing me down	

1. just
