This pretty face by Amy Macdonald

I don't care	I can't quite believe it anymore
Who does her hair or	What happened to believing
What clothes she wears	That beauty's in the eye of the beholder
I don't care if it's YSL	You'll never know who you'll meet on your way to the top
I don't (1) if it's Chanel	You'll probably see them again
What matters to me is a strong belief	When your fame (2) to drop
All this beauty is skin deep	Down down, I'll (3) you on the ground
Don't care about hair, don't care about eyes	It's no good with your (4) and your
It's about what's inside	(5) blue eyes
You'll never know who you'll meet on your way to the top	It's no good when you finally start to realize
You'll probably see them again	I need something more
When your fame starts to drop	(6) pretty face don't work no more
Down down, I'll meet you on the ground	You'll never know who you'll meet on (7) way to
It's no good with your hair and your shiny blue eyes	the top
It's no good when you finally start to realize	You'll probably see (8) again
I need something more	When your (9) starts to drop
This pretty face, don't work no more	Down down, I'll meet you on the ground
What happened to achieving	It's no good with your hair and your shiny blue eyes
What happened to believing in yourself	It's no good when you finally start to realize
Why listen to the musings of someone, somebody else	I need something more
