This pretty face by Amy Macdonald

I don't care	I can't (10) believe it anymore
Who (1) her hair or	What happened to believing
What clothes she wears	That beauty's in the eye of the beholder
I don't care if it's YSL	You'll never know who you'll meet on your way to the top
I don't care if it's Chanel	You'll (11) see (12) again
What matters to me is a strong belief	When (13) (14) starts to drop
All this beauty is skin deep	Down down, I'll (15) you on the ground
Don't care about hair, don't (2) about eyes	It's no good with your hair and (16) shiny blue
It's about what's inside	eyes
You'll never know who you'll meet on (3) way to	It's no good when you finally start to realize
the top	I need something more
You'll probably see them again	This (17) face don't work no more
When your fame (4) to drop	You'll never know who you'll (18) on your way to
Down down, I'll (5) you on the ground	the top
It's no good with your hair and your shiny blue eyes	You'll probably see them (19)
It's no good when you finally start to realize	When your fame (20) to drop
I (6) something more	Down down, I'll meet you on the ground
(7) pretty face, don't work no more	It's no good with your (21) and your shiny
(8) happened to achieving	(22) eyes
What happened to believing in yourself	It's no (23) when you finally start to realize
Why listen to the musings of someone,	I need (24) more
