

## Fill in the gaps

(1) all of your flaws and all of my flaws	I can't fill it, I can't fill it
Are laid out one by one	There's a hole in my soul
A wonderful part of the mess that we made	Can you fill it? Can you fill it?
We pick ourselves undone	You have always worn your flaws upon your sleeve
All of your flaws and all of my (2)	And I have always buried them deep beneath the ground
They lie there hand in hand	Dig them up, let's finish what we've started
Ones we've inherited, ones that we learned	Dig them up, so nothing's left untouched
They pass from man to man	When all of your flaws
There's a hole in my soul	And all of my flaws are counted
I can't fill it, I can't fill it	When all of your flaws
There's a hole in my soul	And all of my flaws are counted
Can you (3) it? Can you fill it?	You (7) always worn your flaws (8)
You have always (4) your flaws upon your sleeve	your sleeve
And I have always buried them deep beneath the ground	And I have always (9) them deep beneath
Dig them up, let's finish what we've started	the ground
Dig (5) up, so nothing's left untouched	Dig them up, let's finish what we've started
All of your flaws and all of my flaws	Dig them up, so nothing's left untouched
When they have been exhumed	All of your flaws and all of my (10)
We'll see (6) we need them to be who we are	Are laid out one by one
Without them we'd be doomed	Look at the wonderful mess that we made
There's a hole in my soul	We pick ourselves undone
