

Fill in the gaps

When all of your flaws and all of my flaws		I can't fill it, I can't fill it		
Are laid out one by one		There's a hole in my soul		
A wonderful part of the mess that we made		Can you fill it? Can you fill it?		
We pick (1)	undone	You have always (14)	_ (15)	_ flaws upor
All of your (2) and all of my flaws		your sleeve		
(3) lie (4)	hand in hand	And I have always buried them deep beneath the ground		
Ones we've inherited, ones (5) we learned		Dig (16) up, let's finish what we've started		
They pass (6) man to man		Dig (17) up, so nothing's left untouched		
There's a hole in my (7)		When all of your flaws		
I can't fill it, I can't fill it		And all of my flaws are counted		
There's a hole in my soul		When all of your flaws		
Can you fill it? Can you fill it?		And all of my flaws are counted		
You have always worn your flaws upon (8) sleeve		You have always worn (18)_	(19)	
And I have (9) buried them deep beneath the		upon (20) (21)		
(10)		And I have always (22)	(23)	deep
Dig them up, let's finish what we've started		beneath the (24)		
Dig them up, so nothing's (11) untouched		Dig them up, let's (25)	what we'v	ve started
All of your flaws and all of my flaws		Dig them up, so nothing's left untouched		
When they have been exhumed		All of your flaws and all of my (26)		
We'll see that we need (12) to be who we are		Are laid out one by one		
Without (13) we'd be doomed		Look at the wonderful mess that we made		
There's a hole in my soul		We pick ourselves undone
