

And the games you'd play

Fill in the gaps

I let it fall, my heart	You would always win, always win
And as it fell you rose to claim it	But I set fire to the rain
It was dark and I was over	Watched it pour as I touched your face
Until you kissed my lips and you saved me	Let it (4) while I cry
My hands, they were strong	'Cause I (5) it screaming out your name
But my knees (1) far too weak	I set fire to the rain
To stand in (2) arms	And I threw us into the flames
Without falling to your feet	I felt something die
But there's a side to you	'Cause I knew that that was the last time
That I never knew, never knew	The last time
All the things you'd say	Sometimes, I wake up by the door
They were never true, never true	And heard you calling, (6) be waiting for you
And the games you'd play	Even now when we're already over
You would always win, always win	I can't help myself from looking for you
But I set fire to the rain	I set fire to the rain
Watched it pour as I touched your face	Watched it pour as I touched your face
Let it burn while I cry	Let it burn while I cry
'Cause I heard it screaming out your name	'Cause I heard it screaming out your name
When laying with you	I set fire to the rain
I could stay there, close my eyes	And I (7) us into the flames
Feel you here forever	I felt something die
You and me, together, nothing (3) better	'Cause I knew (8) (9) was the last time
'Cause there's a side to you	The last time
That I never knew, never knew	Let it burn
All the things you'd say	Let it burn
They were never true, never true
