

Fill in the gaps

I let it fall, my heart	Y
And as it fell you (1) to claim it	В
It was dark and I was over	٧
Until you kissed my lips and you saved me	L
My hands, they were strong	'(
But my knees were far too weak	- 1
To stand in your arms	Α
Without falling to your feet	- 1
But there's a (2) to you	'(
That I never knew, never knew	Т
All the things you'd say	S
They were never true, never true	А
And the games you'd play	Е
You would always win, (3) win	- 1
But I set fire to the rain	- 1
Watched it pour as I touched your face	٧
Let it burn while I cry	L
'Cause I heard it screaming out your name	'(
When laying with you	- 1
I (4) stay there, close my eyes	Α
Feel you (5) forever	- 1
You and me, together, nothing gets better	'(
'Cause there's a side to you	Т
That I never knew, never knew	L
All the things you'd say	L
They were never true, never true	
And the games you'd play	

You would always win, always win	
But I set fire to the rain	
Watched it pour as I touched (6) face	
Let it burn while I cry	
'Cause I heard it screaming out your name	
I set fire to the rain	
And I threw us into the flames	
I felt (7) die	
'Cause I knew that that was the last time	
The last time	
Sometimes, I wake up by the door	
And heard you calling, must be waiting for you	
Even now when we're already over	
I can't help myself from looking for you	
I set fire to the rain	
Watched it (8) as I touched your face	
Let it burn while I cry	
'Cause I heard it screaming out your name	
I set fire to the rain	
And I threw us into the flames	
I (9) something die	
'Cause I knew that that was the (10) time	
The last time	
Let it burn	
Let it burn
