Fill in the gaps

We ll be coming back by Calvin Harris

vve took it all apart	Someone had to draw the line
But I'm (1) I'd stayed	We'll be coming back for you one day
In the back (2) something I heard you say	We'll be coming back for you one day
We didn't want to (3) it too early	I don't (8) care if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	Gonna rise, gonna fool
Someone had to draw the line	Getting pulled apart
We'll be coming back for you one day	And we all do it all because it stole our hearts
We'll be coming back for you one day	Gonna light up the skies, so ignore the stars
I don't even care if I know you	And we all do it all because it stole our hearts
Out of our minds	Standing in the light till it's over
Had to leave it all behind	Out of our minds
We'll be coming back	Someone had to draw the line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it from afar	We'll be coming back for you one day
We were riding (4) wave	I don't even care if I know you
(5) by the lights, and it's something not	Out of our minds
great	Had to leave it all behind
We didn't want to call it too early	We'll be coming back for you one day
Now it (6) a world away	We'll be coming back for you one day
But I miss the thing	
Are we ever gonna feel the same?	
Standing in the (7) till it's over
