Out of our minds

Fill in the gaps

We ll be coming back by Calvin Harris

We took it all apart	Someone had to draw the line
But I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I heard you say	We'll be coming back for you one day
We didn't want to call it too early	I don't even care if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we ever gonna feel the same?	We'll be coming back for you one day
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	Gonna rise, gonna fool
Someone had to draw the line	Getting pulled apart
We'll be coming (1) for you one day	And we all do it all (6) it stole our heart
We'll be coming back for you one day	Gonna light up the skies, so ignore the stars
I don't even care if I (2) you	And we all do it all because it (7) our hearts

Had to leave it all behind	Out of our minds
We'll be coming back	(8) had to (9) the line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it (3) afar	We'll be coming back for you one day
We were riding that wave	I don't even care if I know you
(4) by the lights, and it's something not	Out of our minds
