I wish I could tell you by ChIöe Howl

I don't ever wear (1) dress	I'm sick of hearing you pretending you care
It's just (2) dust	But never going to apologize
I see the lighter that we shared	I know you're lying (16) your teeth
It's just begun to rust	But you're swearing on your life
I should've let you know but she was so much better	And there's no (17) that I know
But if I let you (3) would that make you forget her?	To make you understand
I wish I (4) tell you but I just run and hide	I'm letting you go
I (5) I could tell you but it's a (6) in	I wish I could tell you but I just run and hide
my side	I wish I could tell you but it's a thorn in my side
If I (7) find the words to say	If I could find the words to say
Maybe this (8) would go away	(18) this pain would go away
If I could find the (9) to say	If I could (19) the words to say
We could move on, we could move on now	We could move on, we (20) (21) on
It (10) a little hard to sleep knowing you were here	now
This other guy's good for me but you won't disappear	Move on, move on now
I lost my breath and stumbled over the (11) of you	I wish I could tell you
But it never caught up with the reality of what you do	Move on, (22) on now
I wish I could tell you but I just run and hide	I wish I (23) tell you
I wish I could (12) you but it's a (13)	Move on, move on
in my side	I wish I could tell you but I just (24) on
If I could find the words to say	Move on
