

## Fill in the gaps

## Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung	(14) it louder, sing it clearer
So (1) a thousand voices (2)	Knowing everyone will hear you
love	Make some noise, find your voice tonight
There's a place, there's a time	Sing it stronger, sing together
In this (3) when you sing what you are feeling	Make this moment (15) forever
(4) your feet, stand your ground	Old and young shouting love tonight
Don't you see (5) now	(16) words they can't be spoken (17)
The world is (6) to what we say?	sung
Sing it louder, sing it clearer	To (18) a thousand voices shouting love
(7) everyone will hear you	And (19) and hope
(8) some noise, find (9) voice tonight	Just sing, just sing
(10) it stronger, sing together	Just sing, just sing
Make this moment (11) forever	(20) all and sing it louder, sing it clearer
Old and young shouting love tonight	(21) everyone will hear you
To sing we've had a lifetime to wait	(22) (23) noise, (24) you
And see a thousand faces celebrate	(25) tonight
You brought hope, you brought light	(26) it stronger, sing together
(12) fear, no it wasn't always easy	Make this (27) last forever
Stood your ground, kept your faith	Old and young shouting love tonight
Don't you see right now	(28) a thousand voices shouting love
The (13) is listening to what we say?
