Best I ever had by Gavin DeGraw

Melt Antarctica, saving Africa

I failed (1)_____ and I miss you sometimes

We're at war again

Save the world again

You can all join in

But you can't smoke inside

You said "take me home, I can't stand this place

Because there's too many hipsters

And I just can't relate"

You're my (2)_____ gypsy, my (3)_____ rain

You're my helter skelter

Oh how can I explain

That you're the best I ever had

And I'm trying not to get stuck in my head

But I read that soda kills you and Jesus saves

On a (4)_____ wall where I saw your name

You're the best I ever had

I won't be the same

Night sky full of drones

This neighborhood of clones

I'm looking at the crowd and

They're staring at their phones

They groom the coastline here

It's starting to disappear -Oh my God-

And maybe once a year

I think to clean my car

I (5)_____ my reflection, I dropped the call

I've been (6)_____ with cigarettes and alcohol

I got vertigo, no I can't see straight

I got obligations though I'm (7)_____ late

But you're the best I ever had

And I'm trying not to get stuck in my head

But I think I dropped my wallet in Santa Fe

Lost the only picture I had of you (8)_____ day

And you're the best I ever had

I won't be the same

Hey West Virginia, Hey North Dakota

I think I love you but don't even know you

Hey Massachusetts, Hey Minnesota

I think I love you but don't even know you

Hey Carolina, Hey Oklahoma

I think I love you but don't even know you

Hey Alabama, Hey California

I think I love you but don't even know you

You're the best I ever had

And I'm trying not to get stuck in my head

But I passed a lonely sign on the interstate

Saying "find someone before it gets too late"

You're the best I ever had

I won't be the same

Hey West Virginia, Hey North Dakota

I think I love you but don't (9)_____ know you

Hey Massachusetts, Hey Minnesota

I think I love you but don't even know you

Yeah, I won't be the same

Answer

1. algebra
2. neon
3. desert
4. bathroom
5. caught
6. medicating
7. usually
8. that
9. even
