Man like that by Gin Wigmore

Fill in the gaps

I don't really want to wake you	Kicking down the door
I just came to get my things	Never wanna see his face no more
But the pretty little thing lying there besides you	Girl you'd better wake up
Better take off my wedding ring	Girl you'd better run -please go-
Hey girl do you really wanna do this?	First thing in the morning
You don't know what you're stepping in	Faster than a bullet coming out of that gun
He's got (1) that came from	Tells you that he loves you
and not so special in the end	Then he takes it all back
I'm messing up the place	Girl you gotta wonder
Kicking down the door	Girl you gotta wonder
Never wanna see his face no more	Girl you gotta wonder (8) a man like that
Girl you'd better wake up	Girl you gotta wonder
Girl you'd better run -please go-	Girl you gotta wonder
First thing in the morning	Girl you gotta wonder about a man like that
Faster than a bullet coming out of (2) gun	He's gonna get you
Tells you that he loves you	(bis)
Then he takes it all back	Girl you'd better wake up
Girl you gotta wonder	Girl you'd better run -please go-
Girl you gotta wonder	First thing in the morning
Girl you (3) wonder about a man like that	Faster than a bullet coming out of that gun
(4) you gotta wonder	Tells you that he loves you
Girl you gotta wonder	Then he takes it all back
Girl you gotta wonder about a man like that	Girl you gotta wonder
Ah, oh, now he's got you right	Girl you gotta wonder
Where he thinks you belong	Girl you gotta wonder about a man like that
Did he bite you on the (5) right before the job was	Girl you gotta wonder
done?	Girl you (9) wonder
Does he ask about your momma?	Girl you gotta wonder (10) a man like that
Does he sing your song when you get mad?	(bis)
Well I've been there, (6) that, many times	
And all that kicking and (7) won't	
bring him back	
I'm messing up the place
