Fill in the gaps

Walk through walls by Kyla La Grange

Did you run through doors	Oh, (4) this, don't look without seeing me
Till you hit the floor?	Oh, stay here, don't touch without feeling me
Did you read my eyes and my aching thoughts?	And you're two feet away from my arms
Did you walk (1) walls	But my (5) is weighed down by the spark
Till you had to crawl?	And it's too much to take when you turn
Oh my God your smile	When I still haven't seen what I've learned
And my soundless calls	Get up, get up
Get up, get up	My heart is heavy
My heart is heavy	Sit up, sit up, enough already
Sit up, sit up, enough already	Oh, (6) this, don't look without seeing me
Oh, take this, don't look without seeing me	Oh, (7) here, don't (8) without feeling
Oh, (2) here, don't touch without feeling me	me
Don't you see?	Get up, get up
Did the light leave holes?	My heart is heavy
Where the (3) rolled	Do you want to go?
Did you lay your head as it all took hold?	Sit up, sit up, enough already
Did you spin so slow I didn't see you go?	Did the (9) leave holes?
Oh, I wish I had, I wish I'd known	Oh, take this, don't look without seeing me
Get up, get up	Did you lay your head?
My heart is heavy	Oh, stay here, don't touch without feeling me
Sit up, sit up, sit up	Don't you see?
Enough already
