

Fill in the gaps

Bitten by the wind on a hard hard day	Hide me safe away
And God I really want you to stay	I wanna see myself painted an invisible grey
Bitten by (1) and a (2) fear	Feed me to the years
That has smeared us both on the table	And Iwould make myself (5) as a drawn
There are too many people in this street	on tear
There are too many eyes to meet	Please don't hold me in your soul
So I hold you wrist and I feel you listless	Like a heavy stone
Shaking on the edge of your seat	I am carrying my cold (6) home
Hide me safe away	I am carrying my cold heart home.
I wanna see myself painted an invisible grey	Your face has followed me home
Feed me to the years	With unwanted grace I leave you lonely and
And I would make myself harmless as a drawn on tear	We (7) never make a perfect piece to fit
And please don't hold me in your soul	We will remain unfinished puzzles as we say:
Like a (3) stone	Hide me safe away
I am carrying my cold heart home	I wanna see myself painted an invisible grey
Trapped by a breath and hit my head	(8) me to the years
Like a thousand bricks from the sky	And Iwould make myself harmless as a drawn on tear
And I saw you choke as the last bridge broke	And please don't hold me in your soul
And our fingers waved goodbye	Like a (9) stone
And there are too many towns stumbling by	(bis)
And there are too many hands to untie	I am carrying my cold heart home
So leave it there by the tincan (4)	I am carrying my cold heart home
In the pavement swallows our lies
