

Fill in the gaps

Bitten by the wind on a hard (1) day	Hide me safe away
And God I really want you to stay	I wanna see myself painted an invisible grey
Bitten by tears and a burning fear	Feed me to the years
That has smeared us both on the table	And Iwould (3) myself harmless as a drawn on
There are too many people in this street	tear
There are too many eyes to meet	Please don't (4) me in your soul
So I hold you wrist and I feel you listless	Like a heavy stone
Shaking on the edge of your seat	I am carrying my cold heart home
Hide me safe away	I am carrying my cold heart home.
I wanna see myself painted an invisible grey	Your face has followed me home
Feed me to the years	With unwanted grace I leave you lonely and
And I would make myself harmless as a drawn on tear	We would never make a perfect piece to fit
And please don't hold me in your soul	We will remain unfinished puzzles as we say:
Like a heavy stone	Hide me safe away
I am carrying my cold heart home	I wanna see (5) (6) an
Trapped by a breath and hit my head	invisible grey
Like a thousand bricks from the sky	Feed me to the years
And I saw you choke as the last bridge broke	And Iwould make myself harmless as a drawn on tear
And our fingers waved goodbye	And please don't hold me in your (7)
And there are too (2) towns stumbling by	Like a heavy stone
And there are too many hands to untie	(bis)
So leave it there by the tincan chairs	I am carrying my cold heart home
In the pavement swallows our lies	I am carrying my (8) heart home
