

Fill in the gaps

Tell me none of your longings			
I don't need (1) or you			
And leave me none of your wisdom			
I don't need your lies or your truths			
I've been (2) when the sky was red			
And a face like yours couldn't make me scared			
I've been better with the things I said			
When I took the lead instead of being lead			
Feed me none of your lines			
I won't fall for them, (3) I'll lose			
And hold me to none of my words			
I don't mean them when I'm with you			
And the cars streak (4) with a (5)			
inside			
Why is my life in your eyes?			
And the windows glow			
With the hearts they've known			
Why is my heart never mine?			
I've been (6) when the sky was red			
And a face like yours couldn't make me scared			

I've been better with the things I said			
When I took the lead instead of being lead			
I've been better when the sky was red			
And a face like yours couldn't make me scared			
I've been better with the things I said			
When I took the lead (7)		of being lead	
I've been better when the	e sky was red		
And a face like yours couldn't make me scared			
I've been better with the things I said			
When I (8) the	e lead instead of b	eing lead	
I've been better when the sky was red			
And a (9) like	yours couldn't ma	ke me scared	
I've been better with the things I said			
When I took the lead instead of being lead			
I've been better, I've been better			
I've been better, I've been better oh
