

Fill in the gaps

Nothing To Fear by Chris Rea

I feel your heat in dusty whispers

The wind is cold around your moon

It's getting hard to keep our distance

I know (1)_____ (2)_____ is coming soon

Don't point your dream on my horizon

Don't (3)_____ your (4)_____ too far from home

Please don't forget we're not each other

Each soul has black thorns of his own

I see you dancing

Your song is clear

You've got to show me, got to show me

There's nothing to fear

Nothing to fear

I have my loved ones you have yours

So let us gaze upon the feast

In God's own (5)_____ let's eat together

In God's own name (6)_____ come in peace

See how our children play together

While you and me we (7)_____ alone

I (8)_____ we'll never be each other

If I leave you leave me alone

I see you dancing

Your song is clear

You've got to show me, got to show me
