

Fill in the gaps

Well, all the parties on the streets are talking	You might be tired, but I'm not
Storefront mannequins sleeping in the lights	I don't know why you don't take me downtown
We (1) to smoke (2) we were	Like you got anywhere better to be
jaywalking	You talk it up and give me the go round, round
Like it was your birthday every (3) saturday	Like a good (18) tease
night	I'm (19) (20) on you
Knew the band	cancellation
So we never paid our cover	When I should be counting on you at my door
Wrote our names on the (4) tiles	Did you forget about how we ran around
We (5) to	I don't know why you don't take me (21)
(7) all the others	anymore
They would let us in on our laid back kind of style	I don't know why you don't take me downtown
But boy you (8) it's (9) a while	Like you got anywhere better to be
I don't know why you don't take me downtown	You talk it up and give me the go round, round
Like you got anywhere better to be	Like a good time tease
You talk it up and give me the go round, round	I'm only counting on your cancellation
Like a good (10) tease	When I should be counting on you at my door
I'm only counting on your cancellation	Did you forget (22) how we ran around
When I should be counting on you at my door	I don't know why you don't (23) me
Did you (11) about how we ran around?	(24) anymore
I don't know why you don't (12) me	Oh anymore
(13) anymore	Yeah, I don't know why you don't take me downtown
Oh anymore	I don't know why you don't (25) me downtowr
I got some platforms sitting in the corner	anymore
(14) wanna stroll on a city sidewalk	I (26) don't get it
I got a (15) that'll show a little uh uh	
But you ain't getting uh uh	
If you don't come (16) me up, (17) me	
off
