Fill in the gaps

I fall (1)_____ in front of the TV

So, I forget what I'm thinking

Oh don't you wanna know?

Is it any easier?

Oh don't you wanna know?

Is it fun to close your eyes?

We're going round and round

And up and down

(2)_____ (3)_____ inside out

We're driving from the backseat

You're holding on too tightly

We're going round and round

And up and down

Turning something inside out

We're driving from the backseat

You're holding on too tightly

The colours they merge

(4)_____ scream and shout

I watch my mind

Try and work (5)_____ out

I think it's clear

But (6)_____ days later it's wrong

Oh don't you wanna know?

Is it any easier?

Oh don't you wanna know?

Is it fun to close your eyes?

We're going round and round

And up and down

Turning something inside out

We're driving from the backseat

You're holding on too tightly

We're going (7)_____ and round

And up and down

Turning something inside out

We're driving from the backseat

You're holding on too tightly

The colours they merge

They scream and shout

Listen up listen here

Everybody scream out loud

Listen up listen here

Everybody scream out loud

Listen up listen here

Everybody scream out loud

Listen up listen here

Everybody scream now

We're going round and round

And up and down

Turning something inside out

(bis)

We're driving from the backseat

You're holding on too tightly

We're going round and round

And up and down
