

Fill in the gaps

Diamonds And Rust by Judas Priest

I'll be damned, here comes (1) ghost again	Then (13) me (14) word for it
But that's not unusual	You were so good (15) words
It's just (2) the (3) is full	And at keeping (16) vague
And you decided to call	'Cause I (17) (18) of that
And here I sit, (4) on the telephone	(19) now
Hearing the voice I'd known	It's all come back too clearly
A (5) of light years ago	Yes, I love you dearly
Heading straight for a fall	And if you're offering me (20) and rust,
But we both know (6) memories can bring	I've already paid
They (7) diamonds and rust	But we both (21) (22) memories can
Yes we both know what memories can bring	bring
They bring diamonds and rust	They (23) diamonds and rust
Now I see you standing all (8) and snow in	Yes we both (24) what memories can bring
your hair	They bring diamonds and rust
Now we're (9) out the window of the	Diamonds, Diamonds and Rust
crummy hotel over Washington Square	Diamonds, (25) and Rust
Our (10) comes on white clouds, mingles and	Diamonds, Diamonds and Rust
hangs in the air	Don't want no (26) diamonds, diamonds and rust
Speaking (11) for me, we both could've	
died (12) and there	
Now you're telling me you're not nostalgic	

1. your
