

When you sing to me

Fill in the gaps

Soundtrack of my summer by Mike Viola

A dreamer who's forgotten how to dream	Waves crash on the beach
A singer when nobody's listening	You will be the soundtrack of my summer
You're an optimist	Baby, you don't have to be a star
You think that everything works out	I (6) hear your voice in three part harmony
You're a rising sun	When I'm alone (7) in my car
Setting (1) to the clouds	A dreamer
You will be the soundtrack of my summer	The kind that I've been searching for
Baby, you don't have to be a star	A dreamer
I will hear your (2) in three part harmony	That left me wanting more
(3) I'm alone driving in my car	You will be the soundtrack of my summer
I was alright	Baby, you don't have to be a star
Until you (4) along	I will (8) (9) voice in three part harmony
To (5) new life	When I'm alone driving in my car
Into my tired songs	You will be the soundtrack of my summer
When you sing to me	You will be the soundtrack of my
Wind rushes through the trees
