## When We Stand Together by Nickelback

One (1) d	epending on a prayer	We must (8) to	gether
And we all (2) away		There's no getting even	
People pretending everywhere		Hand in hand forever	
It's just (3)	day	That's when we all win	
There's (4)	flying through the air	That's, that's, that's when we all win	
And they still carry on		That's, that's, that's when we all win	
We watch it happen over there		The right thing to guide us	
And then just turn it off		Is right here, (9)	us
We must stand together		No one can divide us	
There's no getting even		When the light is leading on	
Hand in hand forever		But just like a heartbeat	
That's when we all win		The drumbeat carries on	
That's, that's (5) we all win		And the drumbeat carries on	
That's, that's when we all win		Just like a heartbeat	
They tell us everything's allright		We must stand together	
And we (6)	_ go along	There's no (10)	even
How can we fall asleep at night?		Hand in hand forever	
When something's clearly wrong		That's when we all win	
When we could feed a starving world		That's, that's, that's when we all win	
With what we (7) away		That's, that's when we all win	
But all we serve are	empty words		
That always taste the	e same
