When We Stand Together by Nickelback

One more depending on a prayer		vve must stand together		
And we all look away		There's no getting even		
People pretending everywhere		Hand in (6) forever		
It's just another day		That's when we all win		
There's (1)	flying through the air	That's, that's, that's when we all win		
And (2) still carry on		That's, that's, that's when we all win	That's, that's, that's when we all win	
We watch it happen over there		The right thing to guide us	The right thing to guide us	
And then just turn it off		Is right here, inside us	Is right here, inside us	
We must stand together		No one can divide us	No one can divide us	
There's no getting even		When the light is leading on		
Hand in (3)	forever	But (7) (8) a hea	rtbeat	
That's when we all win		The drumbeat carries on		
That's, that's, that's when we all win		And the drumbeat carries on		
That's, that's, that's (4)	we all win	Just (9) a heartbeat		
They tell us everything's allright		We must stand together		
And we just go along		There's no getting even		
How can we (5) asleep at night?		Hand in (10) forever		
When something's clearly wrong		That's when we all win		
When we could feed a starving world		That's, that's when we all win		
With what we throw away		That's, that's when we all win		
But all we serve are em	pty words
