All (1) (2) of places	And I sit and pray
Make it seems like it's been ages	They never feel my strife
And (3) sun with buildings scrape the	But then my partner (6) to say
sky	The pension funds were gone
I love this country dearly	He made some bad investments
I can feel the latter clearly	Now the counts are overdrawn
But never thought I'd be alone to try	I took a walk
Once I was outside Penn station	Take a walk, take a walk, take a walk
Selling red and white carnations	(bis)
We were still alone, my wife and I	Honey, it's your son
Before we married, saved my money	I think I borrowed (7) too much
Brought my dear wife over	We have taxes, we have bill
Now I work to bring my family stateside	We have a (8) to front
Got off the boat, they stayed a while	And tonight I swear I'll come home
Then scattered across the coast	And we'll make love (9) we're young
Once a year I'll see them for a week or so at most	And tomorrow you'll cook dinner
I took a walk	For the neighbors and their kids
Take a walk, take a walk	We can rip apart the socialists
(bis)	And all their damn taxes
Practice isn't perfect but the market (4) a loss	You'll see I am no criminal
I remind myself that times could be much worse	I'm down on both bad knees
My wife won't ask me questions	I'm just too much a coward
There's not so (5) to ask	To admit when I'm in need
And she'll never flaunt around an empty purse	I took a walk
Watch my mother lacking	Take a walk, take a walk, take a walk
Just to stay a couple nights	(bis)
And decided she would stay the rest of her life	
I watch my little children	
Play some boardgame in the kitchen
