

## Fill in the gaps

Sometimes, I hate every single stupid word you say	You're the only love I've ever known
Sometimes, I (1) slap you in your whole face	But I hate you
There's no one quite like you	I really hate you so much, I think it must be
You push all my buttons down	True love, true love
I know (2) would suck without you	It must be true love
At the same time I wanna hug you	Nothing else can break my heart like
I wanna wrap my hands around your neck	True love, true love
You're an asshole but I (3) you	It must be true love
And you make me so mad I ask myself	No one else can break my heart like you
Why I'm (4) here	-Think it must be love-
Or where (5) I go?	-I love you-
You're the only love I've ever known	-I think it must be love-
But I hate you	-I love you-
I really hate you so much, I think it must be	Why do you rub me up the wrong way?
True love, true love	Why do you say the (8) that you say?
It must be true love	Sometimes I wonder how we ever came to be
Nothing else can break my (6) like	But without you I'm incomplete
True love, true love	Oh, I think it must be
It must be true love	True love -it must be-
No one else can break my heart like you	True love -think it must be-
Just once try to wrap your little brain	(9) love -it must be-
Around my feelings	Nothing else can break my heart like
(7) once please try not to be so mean	True love -it must be-
Repeat, after me now: R-O-M-A-N-C-E-E-E	True love -think it must be-
Come on, I'll say it slowly	True love -it must be-
-Romance- you can do it babe!	And no one else can break my heart like you
At the same time I wanna hug you	Like you
I wanna wrap my hands around your neck	No one else can break my heart like you
You're an asshole, but I love you	Like you
And you make me so mad I ask myself	No one else can break my heart (10) you
Why I'm still here	
Or where could I go?
