Blurry by Puddle of Mudd

Fill in the gaps

Everything's so blurry and everyone's so take	Well you shoved it in my face
And everybody's empty and everything is so	This pain you gave to me
(1) up	Can you take it all away?
Preoccupied without you I cannot live at all	Can you take it all away
My (2) world surrounds you, I stumble then I	Well you shoved it in my face
crawl	Explain again to me
You could be my someone	Can you take it all away?
You could be my seed	Can you take it all away?
You know that I'll protect you from all of the obscene	Well you shoved it in my face
I wonder what you're doing, imagine where you are	This (5) you gave to me
There's oceans in between us but that's not very far	No, nobody told me what you thought
Can you take it all away?	Nobody told me what to say
Can you take it all away?	Everyone showed you where to turn
Well you shoved it in my face	Told you when to runaway
This pain you gave to me	Nobody told you (6) I hide
Can you take it all away?	Nobody told you what to say
Can you take it all away?	(7) shows you where to turn
Well you shoved it in my face	Showed you where to runaway
Everyone is changing	Can you take it all away?
There's no one (3) that's real	Can you take it all away?
To make up your own ending	Well you shout it in my face
And let me know just how you feel	(8) again to me, no
Because I am lost without you, I cannot live at all	(9) again to me
My whole world surrounds you I stumble then I crawl	You take it all, (10) it all away
Then you could be my someone, you could be my seed	Explain again to me
You know that I'll save you from all of the unclean	
I wonder what you're doing I (4) where you	
are	
There's oceans in between us but that's not very far	
Can you take it all away?	
Can you take it all away?
