

## Fill in the gaps

### Blurry by Puddle of Mudd

Everything's so blurry and everyone's so fake  
And everybody's empty and everything is so messed up  
Preoccupied without you I cannot live at all  
My whole world surrounds you, I stumble then I crawl  
You could be my someone  
You could be my seed  
You know that I'll protect you from all of the obscene  
I (1)\_\_\_\_\_ what you're doing, imagine  
(2)\_\_\_\_\_ you are  
There's oceans in between us but that's not very far  
Can you take it all away?  
Can you take it all away?  
Well you shoved it in my face  
This pain you gave to me  
Can you take it all away?  
Can you (3)\_\_\_\_\_ it all away?  
Well you shoved it in my face  
Everyone is changing  
There's no one left that's real  
To make up your own ending  
And let me know just how you feel  
Because I am lost without you, I cannot live at all  
My whole world surrounds you I stumble then I crawl  
Then you could be my someone, you could be my seed  
You (4)\_\_\_\_\_ that I'll (5)\_\_\_\_\_ you from all of the  
unclean  
I wonder what you're doing I wonder where you are  
There's oceans in between us but that's not very far  
Can you take it all away?  
Can you take it all away?

Well you shoved it in my face  
This pain you gave to me  
Can you take it all away?  
Can you take it all away  
Well you shoved it in my face  
Explain again to me  
Can you take it all away?  
Can you take it all away?  
Well you shoved it in my face  
This pain you gave to me  
No, (6)\_\_\_\_\_ told me what you thought  
Nobody (7)\_\_\_\_\_ me what to say  
Everyone showed you where to turn  
Told you when to runaway  
Nobody told you where I hide  
Nobody told you what to say  
Everyone shows you where to turn  
Showed you where to runaway  
Can you take it all away?  
Can you take it all away?  
Well you shout it in my face  
Explain again to me, no  
(8)\_\_\_\_\_ again to me  
You take it all, take it all away  
(9)\_\_\_\_\_ again to me

Answer

1. wonder
2. where
3. take
4. know
5. save
6. nobody
7. told
8. Explain
9. Explain
