

The touch of your hand says

Fill in the gaps

When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak		You'll catch me whenever I fall
Right to my heart		Because you say the best when you say nothing at all
Without (1)	a word, you can light up the dark	The smile on your face (4) me know
Try as I may, I can never explain		That you need me
What I hear when you don't say a thing		Because there's a truth in your eyes
The smile on your face lets me know		Saying you'll never leave me
That you need me		And the touch of your hand says
There's a truth in your eyes		You'll catch me (5) I fall
Saying you'll never leave me		Because you say the best when you say nothing at all
The touch of your hand says		You say the best when you say nothing at all
You'll catch me whenever I fall		You say the best when you say nothing at all
Because you say the best when you say nothing at all		The (6) on your face
All day long I can hear people		(7) look in (8) eyes
Talking out loud		The touch of (9) hand
But when you hold me near		Let me know that you need me
You can drown out the crowd		You say the best when you say nothing at all
Try as they may, (2)	could never define	You say the best (10) you say nothing at al
What's been said between your heart and mine		The smile on your face
The (3) on yo	our face lets me know	That look in your eyes
That you need me		The touch of your hand
There's a truth in your eyes		Let me know that you need me
Saying you'll never leave me
